

UNDERWAY

Antelope Valley Redevelopment Plan

Antelope Square

Construction of 24 attached, single-family, mixed-income housing units on portions of two under utilized blocks

Location:

Portions of two blocks, bounded by 22nd, 23rd, Q and R streets

TIF Approved for \$825,000:

- Site Acquisition
- Site Preparation, including: Demolition, Grading, & Alley Paving
- Streetscape Improvements
- Façade enhancements

Private Investment:

\$5,175,000

Basement construction in October 2016

Before Antelope Square, the project parcels were under used — for example, this former car lot being used as a temporary office location for NeighborWorks-Lincoln
